

Outreach Worker

Our Kids Count empowers individuals to build stronger families and inclusive communities by enhancing people's lives through personal growth and development.

As part of the OKC team, working together with the Academy Planning Team, and the Community Support worker to:

- provide opportunities for families in need of support to identify their needs and to develop strategies to respond to those needs within a community development model.
- promote the development of leadership and peer helper skills and provide the necessary support enabling peers to practise and carry out these new skills.
- be under the supervision of the Program Manager but will be expected to work independently with clear guidelines defining their role.
- Engage in the community through door knocking and finding out what the community wants to see happening
- Plan, facilitate programs based on the needs of the community responses

OKC involves families in all aspects of program planning, implementation, and evaluation.

University or college graduate who has graduated within the last three years from an accredited college or university. The candidate must be a graduate of a post-secondary degree or diploma program. The position will be a first full-time employment in the candidate's field of study.
